

UNITED STATES BANKRUPTCY COURT
FOR THE DISTRICT OF MASSACHUSETTS

IN RE:)
Andre Bisasor) Chapter 7
Debtor,) Case No.: 15-13369
)

**FINAL REQUEST FOR ADDITIONAL TIME TO FILE OBJECTION TO APPLICATION
FOR COMPENSATION**

I, Andre Bisasor, hereby request a final 14 days of time extension until 2/29/16 to file objection to debtor's counsel (David G. Baker) application for compensation. Grounds are as follows:

1. I have not been yet able to secure new counsel. I thus need a little more time to find new counsel.
2. I am concerned that if I do this myself, my rights could be prejudiced given the nature of the matter. I believe I need legal assistance to carefully address this issue in order to protect my rights.
3. Also, I have been engaged in a process of bouncing back from certain setbacks and getting things back on track. It has been difficult to focus on doing that while engaged in this legal process without the assistance of counsel.
4. Although I hesitate to ask here for another extension of time, if it pleases the court, this would be the last time such a request will be made regarding this issue. If I am not able to secure the assistance of counsel within this last extension period, I will move forward with doing the best I can with the objection, on my own.
5. Therefore, I am asking for a final 14 days of extension of time until 2/29/16.

WHEREFORE, I hereby humbly request this Honorable Court grant my request and/or other relief that the Court deems just and proper.

Respectfully submitted,
By The Debtor
